

Seeing God at work through spreading God's Word!!

One of the best ways to experience God involves telling others about Him and spreading God's Word to all who will listen. Recently, related to this, Darin has resumed going to a local mall with a Spiritual Interest Questionnaire (we've done this before as a family to share Scripture with anyone who wants to talk, saved or unsaved souls). Philemon 1:6 says, **"and I pray that the sharing of your faith may become effective for the full knowledge of every good thing that is in us for the sake of Christ."** The phrase *sharing of your faith* refers to Christians expressing their life in Christ to everyone around them. This allowed them to know every good thing that God wanted them to experience. [Basically, we know God better by making Him known to others.](#)

Going to the mall with this questionnaire, which we've printed on the back, takes a lot of trusting in God's strength to overcome many fears: fear of rejection, fear of not knowing what to say or how to answer questions. Once you start the questionnaires, amazingly, it actually gets so fun to interact with people who genuinely want to discuss the Bible and feel grateful for the opportunity of hearing hear how to know God personally. Darin takes guys getting disciplined with him, and **their faith grows from seeing God at work through spreading God's Word.**

For a brief highlight, Darin's last trip provided the chance to go through the Gospel with both a couple who bought a billion dollar company, as well as with another man on life's other side who works @IHOP and actually called out when Darin entered the Mall (he served him as a waiter years ago and used his phone to show an old pic!!).

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.

Spiritual Interest Questionnaire

- 1) Do you think society benefits from people having spiritual values (such as faith in God)?
- 2) What spiritual values do you think matter the most (such as loving others or personal integrity)?
- 3) Why would having a relationship with God possibly make a difference in a person's life?
- 4) If someone could explain how we could know God personally, would you be interested?
