

Using tennis for discipleship and evangelism apmts!

God has used tennis in special ministry ways since social distancing started and a lot of men, for many usable outreach opportunities, keep calling for more!! In the group of four pictured below, Darin has begun *sharing the Gospel and getting to know these guys from various backgrounds*. On the left you see Pete during one of our *discipleship tennis moments*. Many times with a man it works well in ministry to have some common competition, with each of you trying to improve the other as the battles take place. **During breaks you can share Scripture that has made a difference in your lives and talk about spreading God's Word to others.** With someone unsaved, it helps to give your **3-minute "faith in Jesus" testimony.**

Testimonies include life before Jesus, when you believed He died for your sins, and how faith in Him changed you. Let's use sports and every opportunity each day to **talk about our faith** while equipping others to make disciples themselves!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
