

## *Partnering to minister more during the Pandemic!*

During the current COVID-19 crisis and confusion, a clear way to respond for the sake of spreading the Gospel has surfaced for LOGOS Leaders Outreach. While **Darin has continued most of his ministry to men through discipleship and evangelism at parks, outside restaurants, Zoom meetings as well as phone calls**, we have taken an opportunity to help ease the hurt of this pandemic around the world. *Partnering with the Turlington family who supports LOGOS along with supporting a life-changing outreach in Zambia known as Family Legacy, and joining with the monthly Zambian ministry of our daughter Ashley*, we'd like to **let her tell you about this exciting effort**.

“Hi everyone! My name is Ashley and this March I felt called to utilize my time off of school to raise money for Family Legacy. Family Legacy is a ministry I have been passionate about and involved in since about 2015. They are committed to changing the country of Zambia one child at a time through sponsorship and camp programs. During this season of the CoronaVirus and quarantine, they have created a program called Students Feeding Students to continue their impact on orphans and children in need. This program involves students raising money and packing each food bag for their kids. A 14-day supply of food for one child is equivalent to about \$4. With this in mind, I brainstormed a business idea that would raise enough money to buy about 4,000 meals.

My friends and I noticed the need for masks in Houston and came up with the idea to sell homemade masks. Our masks are made using clean, recycled t-shirts and fabrics and we ensure they are protective against germs. We started a nonprofit called Coverage for Corona on April 17, 2020 to provide relief for those seeking protection from COVID19. All of our money is donated to Family Legacy and minimal supplies needed for mask making. Pray for us in our goal of raising funds to feed 9 children for one year!” See below for food-packing pics!!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.

### Board Members
