

Understanding the literal explanations of Genesis!

Recently Darin and I took a road trip! It all started with attending a weekend in Florida for one of Darin's discipleship/prayer/tennis groups. When we knew we would be driving East, we thought "why not keep going?" On we went up through the back roads of Alabama, rolling hills of Tennessee and Kentucky to land at the "Ark Encounter" – a life-sized replica of Noah's Ark, complete with three decks of crafted animals, living quarters and in-depth explanations of this Biblical journey. One day there and then the nearby Creation Museum! We were encouraged and solidified in our faith of God's hand in creation and the Genesis account vs. the evolutionary theory we hear today. It's a long drive, but we encourage you to GO, take your kids or grandkids! We were refreshed in our conviction about Creation.

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
