

## *Discipleship funding and testimony at the end of the yr!*

**Hundreds** of men and many women have received daily discipleship lessons this past yr: every day getting Darin's input from the ONE YEAR BIBLE with the result of greatly encouraging reports on God's Word making a difference in those receiving the emails. Of these growing Christians, an average of **five each day meet individually with Darin to get personal discipling using the Bible** for life changing applications that make *these individuals grow into the image of Jesus Christ*. Romans 8:28-29

The costs for this ministry get covered through monthly gifts by those getting discipled and those who support LOGOS Leaders Outreach from various USA cities as the outreach has grown. Every year God has provided a significant amount of one time contributions by the end of December to offset the shortage of funds each month. Covering all of the expenses for 2016 means raising \$55,000 over the remaining few wks! This often happens through an amazing giving of extra support by those already impacted by individual discipleship, as well as special gifts by **those who understand the biblical value of this unique ministry in society's marketplace**. Currently, 11 \$5,000 donations would cover organizational costs.

If the LORD leads anyone to get involved in various ways to keep outreaches going in 2017, please let us know at your earliest convenience and thank you for prayerfully considering this opportunity to participate in fulfilling the Lord Jesus Christ's Great Commission in Matthew 28:18-20. *To show what a difference you make in making men like Christ, we'll include the comments of one man among so many.* Thanks for making this possible and let's lead people to God's Word!! **Please encourage others to look on our website whenever needed for discipleship training at [www.logosleadersoutreach.org](http://www.logosleadersoutreach.org)!**

**"As a follower of Jesus, I have longed to make Philippians 3 a reality in my life - 'I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord.' A big part of this has been to go deep in the Word on a daily basis and to surround myself with men who reflect this way of living. That is why I have been so motivated to allow Darin to disciple me in this area over the last 10 years. Darin through LOGOS Leaders Outreach has done this for me through bi-monthly breakfast meetings and daily email devotionals - both have been vital accountability disciplines for my life. These disciplines have given me a deeper desire to reach out with the Gospel to men that God has placed in my life in Texas and around the world. I can say that these last 2 years have been some of the deepest times of trusting the Lord for all in my life which has at its core *that there is nothing of surpassing worth other than knowing Christ and surrendering my life to Him.*"**

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
