

Hurricane Harvey Recovery and Making Disciples!

Helping with the Hurricane Harvey recovery effort has taken some significant time for those with relatively minor damage [we only have carpet issues]. Everyone wants to help each other, and it has blessed us to join others in ministering around Houston (picture of Darin with Ashley to the right). More than anything, it gives believers in Jesus Christ access to those who see their need for everything now, especially needing the peace of Christ that comes only by believing in Jesus. Darin has done discipleship with a businessman by going to a storm victim's home to share the Gospel and help as needed (pictured below right). We volunteered as a family one night with the Red Cross (in the George R. Brown Convention Center pictured below), and we've witnessed some pretty tough situations. Please pray for God's Word to spread through this and for our newly re-scheduled discipleship banquet on Nov. 9th!! Thank you!

During the year everyone receiving this gets prayed for still by name at least once for each letter, so please request prayers about anything going on or others you know with needs whenever you'd like to have something special offered.
