

## LOGOS Leaders Outreach: *Discipling Men to Know God through His Word!*

Dear Friends of LOGOS Leaders Outreach,

Winter 2014

On behalf of Darin and Allison and the Board of Directors of LOGOS Leaders Outreach, thank you for your involvement with us in 2014. Through the blessing of your prayers, encouragement and financial support, Darin has been able to consistently disciple over 50 men this year. We have seen life changing results.

- For example, one of the 50 men specifically told Darin how getting disciplined changed his life. This man first studied Romans to understand the Gospel with Darin. After that the two of them went to one of our board member's weekly Bible Study and then this year he courageously began leading his own Bible Study with prominent businessmen.
- Another example comes all the way from Russia, where an American businessman gets disciplined through bi-weekly hour long calls to Darin. Through discipleship in the Word, this man has grown strong enough in his faith this year to evangelize Russians through starting a workplace Bible Study. Darin and this disciple have even witnessed together to one of the Russians during a business training conference recently in Houston.
- Men have started discipling other men by gaining confidence in God through Scripture memorization or studying with Darin. Without the personal accountability that a man receives from LOGOS Leaders Outreach, many of the men reached by Darin's disciples wouldn't have someone in a Christian group involving them in the Great Commission.
- Some have had their lives changed through discipleship in the Word to overcome sin and harmful habits from which men even in churches won't repent without a discipler.
- Many men have learned from Darin how God's Word changes our lives by daily time in the Bible, with hundreds receiving a lesson 365 days a year through email or LinkedIn.
- Another of our growing group of board members has observed the impact on his life though such time in Scripture and now starting to disciple a prisoner about to get paroled. The difference discipleship makes in marriages and all the lives touched by a man in LOGOS Leaders Outreach surpasses anything we could measure. 2 Timothy 2!

As we approach year-end and the start of a new year, we ask each of you to prayerfully consider pledging your support so that Darin can continue to impact men's lives by discipling men and making more disciples who can then make more disciples. You can learn more about LOGOS Leaders Outreach by watching a short video on the LOGOS Leaders website at [www.logosleadersoutreach.org](http://www.logosleadersoutreach.org). As 2014 draws to a close, we are still seeking donations to cover the ministry's annual expenses. We are in need of a \$50,000 onetime gift and \$5,000 monthly. At any time you can use the website "Donate" tab to set up a onetime or monthly contribution. Thank you for caring & considering a gift at this time!

Sincerely,

*Scott Pappas, Clint Bawcom, Dougal Cameron, Doug George, Darin Maurer, Adam Seals and Jerry Walker*
